- Use only the LECRS-provided balls.
- There are 2 courts; Court #2 is closest to the chairs, and Court #1 is furthest from the chairs.
- 4 players to a court.
- As players arrive they go to the end of the line of chairs if both courts are already in use.
- Games go to 9 points. If less than 8 people are playing they can go to 11 points.
- When a court finishes a game they yell "COURT" so that groups know to move to the next court.
- If Court #2 finishes a game they return to the end of the line of chairs, the group on Court #1 move to Court #2 to finish their game and 4 players from the start of the line of chairs move onto Court #1 to play. - If you have already played with someone, please ensure you have a different partner for the next game.
- Please be considerate of all levels of play.
